**Re: Sibley Memorial Hospital (the "Applicant")
Consolidated PUD and Zoning Map Amendment Application in
Zoning Commission Case No. 05-42
Motion to Request Continuance of the Application**

Dear Chairperson Mitten and Members of the Commission:

The Applicant received a copy of the District Department of Transportation's ("DDOT") memorandum in this case this morning, despite the requirement enumerated in 11 DCMR 3012.3 which requires all agency reports be submitted to the Director of the Office of Zoning at least ten days in advance of the hearing. It is the Applicant's understanding that DDOT's memorandum was filed with the Zoning Commission on October 12, 2006.

In order to have an appropriate amount of time to respond to the issues raised in the DDOT memorandum, the Applicant hereby submits a motion requesting a continuance of this case. The Applicant also notes that a group which has requested party status in this case, Sibley Neighbors for Responsible Growth, has also requested a continuance of this case.

The Applicant and its representatives are prepared to address this motion at the beginning of the public hearing scheduled for this evening. Please contact the undersigned if you have any questions or comments.

Sincerely yours,

Paul Tummonds
