CASE NO. 05-42  
EXHIBIT NO. 186

Dear Sirs,

I am writing in support of Gibley Hospital's application to construct a medical office building on its grounds.

My wife and I live very near Gibley and believe the hospital is an important amenity with great benefit to our neighborhood. My wife has been a volunteer at Gibley and we have both been patients of the hospital. The office building will be of importance to the neighborhood and is essential if the hospital is to continue to serve this part of the district in an efficient manner.

I respectfully request that the Commissioners approve Gibley's application to construct this facility.  
most respectfully, Nicholas R Burke
