Dear Ms. Mitten and Commission Members

I am writing to express my opposition to the proposed expansion of Sibley Memorial Hospital, in particular the addition of a new medical office building on-site.

My family and I are concerned that the proposed expansion will result in a significant increase in vehicle traffic to the neighborhood, with the accompanying congestion, and air and noise pollution.

We are also concerned that increased commercialization of the neighborhood will detrimentally affect the value of our home and the quality of life we enjoy.

We urge you to stop this expansion and respect that this is a residential neighborhood first and foremost.

Sincerely,

Edward Lennard
