CASE NO. 05-42

EXHIBIT NO. 27

Dear Chairperson Mitten and Members of the Commission,
We should like to express our strong support for the PUD and Zoning Map amendment application regarding Sibley Hospital's proposed construction of a medical office building. It is our belief that the medical offices and accompanying parking garage proposed are entirely appropriate for the site and will not negatively impact the Palisades neighborhood.

We have been residents of the larger neighborhood for thirty-five years during which period we have always found the hospital's services and support to be superior in every way.

We believe that this project will enhance the quality of life and contribute to the physical health and well being of the neighborhood, and I urge the Zoning Commission to grant its approval.

Sincerely
Winifred Riggs Portenoy
