Re: George Washington University Plan
Cases # 06-11, #06-12 and #06-19

Dear Madam Chairman,

As a resident living in the community of Foggy Bottom on Twenty-fourth Street, N.W., which adjoins the campus of George Washington University, it is a privilege to inform you that I support and am in favor of the George Washington University Foggy Bottom Campus Plan: 2006-2025.

Michael Akin, Director of Office of District of Columbia and Foggy Bottom West End Affairs for George Washington University has informed our communities with periodic meetings, publications, and his talents for bringing all walks of life to peaceful agreements concerning changes for future progress in the City of Washington, D.C.

Thank you Madam Chairman for serving in a responsible capacity. May you and members of the Zoning Commission come to correct decisions concerning these G.W. Campus Plan cases #06-11, #06-12 and #06-19.

Sincerely,

Charlotte M. Trounson
