Re. George Washington University Planned Development # ZC-06-11

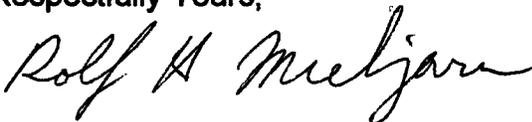

Dear Director McCarthy:

The Board of Directors of Jefferson House, a condominium community of 178 owners, has unanimously voted to strongly endorse and support the position and arguments set forth by Mr. William Bode, of Bode & Grenier, in his letter to you of March 9.

The Management and Directors of Jefferson House are committed to being good citizens and neighbors. To us this means obeying every aspect of the law, honoring all our commitments, and respecting our neighbors, our community, and our municipal government.

George Washington University should be expected and required to do no less.

Respectfully Yours,
