THIS CASE IS OF INTEREST TO ANC 2A

On February 16, 2006, the Office of Zoning received an application from the George Washington University (“Applicant” or “University”) requesting special exception review and approval of the Foggy Bottom Campus Plan: 2006 – 2025 (“Campus Plan”) pursuant to 11 DCMR §§ 3104 and 210. Also on February 16, 2006, in conjunction with the campus plan application, the Applicant filed for first-stage approval of a planned unit development (“PUD”) and related amendment to the Zoning Map of the District of Columbia. The applications for approval of the Campus Plan and the PUD with related Map Amendment were consolidated and will be heard simultaneously. The Office of Planning provided its report on April 10, 2006, and the case was set down for hearing on April 20, 2006.

The property that is the subject of these applications includes the properties owned by the University and located within the area of its Foggy Bottom Campus, as defined in BZA Order No. 16553. The Property is generally bounded by K Street, Washington Circle, and Pennsylvania Avenue to the north, 24th Street to the west, F Street to the south, and 19th and 20th Streets to the east. It is currently devoted primarily to university use. Please note that this application includes only those properties owned by the University. Although included in the PUD application, certain properties owned by the Applicant in Square 80 (Lot 55) and Square 54 is the subject of a separate consolidated PUD and rezoning applications (ZC Case 06-27), which the Zoning Commission has also set down for a public hearing to be held at a yet to be determined date.

CASE NO. 06-12

EXHIBIT NO. 1FJ

**ZONING COMMISSION
District of Columbia
CASE NO.06-12
EXHIBIT NO.185**

The Property currently is located primarily in the R-5-D Zone district. Some properties located near Washington Circle and F Street are in the R-5-E Zone, and some properties located along Pennsylvania Avenue and between 19th and 20th Street are in the C-3-C Zone. The Zoning Map Amendment application requests a PUD-related rezoning of portions of Squares 55, 56, 75, 77, 79, and 101 to the C-3-C Zone, and a PUD-related rezoning of a portion of Square 75, located along Pennsylvania Avenue, to the C-4 Zone. The remainder of the Property will remain in its existing R-5-D or R-5-E Zone, except for Squares 80 and 54, which will be the subject of separate PUD applications. For the portions of the Property located in the C-3-C and C-4 Zones, the maximum height will be 130 feet, or the maximum height permitted under the 1910 Height Act, whichever is less. The FAR will continue to be aggregated, as required under Section 210 of the Zoning Regulations, among the residentially-zoned properties throughout the campus to the maximum FAR set forth in the Zoning Regulations. (The maximum FAR permitted under Section 210 is the subject of a proposed text amendment currently under consideration in Z.C. Case No. 06-19, which will be heard immediately prior to these cases.) The development sites that will be rezoned will be developed to an FAR of no greater than the permitted FAR under the PUD regulations for the C-3-C and C-4 Districts, as reviewed and approved by the Zoning Commission during the Second Stage PUD.

The proposed Foggy Bottom Campus Plan: 2006 - 2025 is intended to address the University's forecasted academic and undergraduate student housing space requirements within the existing Foggy Bottom Campus Plan boundaries, concentrated within the campus core, as well as measures to preserve open spaces and buildings of architectural and historic significance on the campus. The plan calls for the creation of a retail corridor along I Street and proposes mechanisms for monitoring the University's compliance with the campus plan.

This public hearing will be conducted in accordance with the contested case provisions of the Zoning Regulations, 11 DCMR § 3022.
