Re: GWU's three 2/16/06 Filings

Dear Ms. Kress:

I am writing on behalf of the Plaza Condominium, located at 800-25th Street, N.W., in the Foggy Bottom area. We object to the Zoning Commission's consideration of a setdown for public hearings of the George Washington University's (GWU's) three February 16, 2006 filings. These include GWU's Special Exception application, application for a replacement Campus Plan, and 1st Stage Planned Unit Development (PUD) and Zoning Map Amendment application.

The Plaza believes that any public hearings or further consideration by the Zoning Commission are premature since changes in the City's zoning regulations for campus plans and PUDs are necessary first.

Thank you for your consideration of our views.

Sincerely,

Wendy Luke
