

EXHIBIT G

Street Renderings (I, H and G Streets)

The street renderings included in this Exhibit are intended to conceptually illustrate the character of the primary east-west “campus streets” that could be achieved through the implementation of the Foggy Bottom Campus Plan: 2006 – 2025.

I Street looking west between 22nd and 23rd Streets

H Street looking west between 21st and 22nd Streets
