Re: Request for Party Status - Zoning Commission Case Nos. 06-11 & 06-12 AND 06-27 (The George Washington University - Special Exception Application for a Campus Plan; The George Washington University - First Stage Planned Unit Development & Related Zoning Map Amendment; AND Boston Properties, Inc., et al. Consolidated PUD & Related Map Amendment for Square 54)

Dear Ms. Kress:

This letter requests "Party" status for the West End Citizens Association (WECA), of which I am President, for Zoning Commission Case Nos. 06-11 and 06-12 to be heard on September 14, 2006, AND related Case No. 06-27 to be heard on November 20, 2006 (The George Washington University - Special Exception Application for a Campus Plan; The George Washington University - First Stage Planned Unit Development & Related Zoning Map Amendment; AND Boston Properties, Inc., et al. - Consolidated PUD & Related Map Amendment for Square 54)¹.

The WECA, founded in the 1890's and one of the oldest citizen associations in DC, is the principal community organization in the George Washington University (GWU) neighborhood. It is primarily interested in maintaining the quality of life for the existing residential community in Foggy Bottom-West End.

The Zoning Commission's procedures for contested cases at 11 DCMR §3022.3 request the following information (excluding (f), (g), and (h) below, which were included in the Commission's Notices of Public Hearing, and, thus, additionally provided herein) from persons requesting Party status:

(a) The person's name, address, and daytime telephone number: West End Citizens Association, P.O. Box 58098, Washington, DC 20037-8098; daytime contact number is (202) 965-1083.

(b) A request to appear and participate as a party: this letter constitutes a request for Party status.

(c) Whether the person will appear as a proponent or opponent of the application: opponent for each of the three Cases.

¹ The WECA is not requesting "Party" status for related Zoning Commission Case No. 06-17, D.C. Public Schools & The George Washington University, to be heard on October 30, 2006.

Post Office Box 58098 • Washington, D.C. 20037-8098

- (d) Whether the person will appear through legal counsel, and, if so, the name and address of legal counsel: not at this time, but WECA reserves the right to retain legal counsel.
- (e) A list of witnesses who will testify on the person's behalf: WECA Member Barbara Kahlow.
- (f) A summary of the testimony of each witness: Mrs. Kahlow will present regulatory process concerns relating to the proposed text amendment to the zoning regulations and the three Cases and then present multiple problems with each Case, the end results of which would be adverse impacts on WECA Members.
- (g) An indication of which witness will be offered as expert witnesses, the areas of expertise in which any experts will be offered, and the resumes or qualifications of the proposed experts: Barbara Kahlow will be offered as an expert witness in the regulatory process; after serving 25 years in the Office of Management and Budget and 7 years in Congress, she recently retired as Staff Director of the House Government Reform Subcommittee on Regulatory Affairs and is a recognized expert in the regulatory process; she has delivered multiple speeches on regulatory process issues throughout the U.S. and met with multiple foreign officials on their regulatory process; her resume is attached
- (h) The total amount of time being requested to present their case: the Notice of Public Hearing for each Case only allows 15 minutes for each Party in opposition; so, the WECA requests at least 15 minutes per Case
- (i) A written statement setting forth why the person should be granted party status, including reference to the following:
- (1) The property owned or occupied by the person, or in which the person has an interest, that will be affected by the action requested of the Commission: the WECA includes Members from 15th Street on the East, Potomac Park on the South, Rock Creek and the Potomac on the West, and N Street on the North.
 - (2) The legal interest the person has in such property, such as owner, tenant, trustee, or mortgagee: the WECA has many owners and tenants with a legal interest in the subject property.
 - (3) The distance between the person's property and the property that is the subject of the application before the Commission: the subject property lies within the WECA's boundaries.
 - (4) The economic, social, or other impacts likely to affect the person and/or the person's property if the action requested of the Commission is approved or denied: GWU's applications would negatively affect the quality of life of most WECA Members.

(5) An explanation of how the person's interest as identified in response to paragraph (4) would likely be more significantly, distinctively, or uniquely affected in character or kind by the proposed zoning action than those of other persons in the general public: WECA Members' could have: property values negatively affected, substantial rent increases, reduced on-street parking, increased traffic, increased noise, etc. The bottom line is that WECA Members' interests will be more significantly, distinctively, and uniquely affected.

If any additional information is needed, Barbara Kahlow can be reached during the day on (202) 965-1083.

Sincerely,

John C. Batham
