**Re: Zoning Commission Case No. 06-21A (Douglas Development Corp. – Minor
Modification to PUD) / Request to Move Case to July Consent Calendar**

Dear Members of the Zoning Commission:

On behalf of Douglas Development Corp. (the "Applicant"), we respectfully request that the above-referenced case be moved to the July Consent Calendar. This will allow the Applicant sufficient time to make additional minor revisions to the drawings for the approved PUD before final review and approval by the Zoning Commission.

Thank you for considerate attention to this matter.

Sincerely,

Leila Batties
