Zoning Case # 06-29,

It is my pleasure to announce my support of The M Street Hotel which is currently undergoing a massive make over which includes an additional two stories. I consider this hotel a good neighbor that has continuously reached out to residents and businesses owners alike in a proactive effort which keeps us aware of what takes place along the M Street/New Hampshire Avenue corridor where the construction is occurring. A great deal of the neighbors, myself included, are tremendously excited after seeing renderings of the completed project. Thank you for allowing me the opportunity to voice my opinion of this great development in our neighborhood.

Yours truly,
