Re: Z.C. Case No. 06-29 -- 1143 New Hampshire Ave., NW

To Whom It May Concern:

At its properly noticed, regularly scheduled meeting on Wednesday, July 15, ANC 2A reviewed the application to extend the validity of zoning commission order 06-29.

While the commission did not have a quorum present, the matter was discussed. There was no community opposition voiced to extending the PUD for a two-year period as outlined in the request.

As the commissioner in whose Single Member District the PUD is located, I voiced my support for the extension given there are no changes sought by the applicant and the time period is reasonable.

Please let me know if you have any questions about this application.

Sincerely,

Rebecca K. Coder
