Re: Application Z.C. Case No. 06-30 Pollin Memorial Community Development LLC-Consolidated Pod & Related Map Amendment

Dear Ms. Schellin,

On June 12, 2007 with a quorum present passed unanimously held a Public Meeting by the Commissioners of the ANC7D not to support the propose project

On behalf of the ANC7D Commissioners I Dorothy Douglas chauperson representative ANC7D is writing to express our concerns about the case No. 06-30 Pollin Memorial Community Development LLC-Consolidated Pod & Related Map Amendment of square 5040 & Parcels (170/27 and 170/28) The ANC7D commissioners are requesting the case be postponed for the following reasons listed below

- 1 That these cases not meet with each commissioner on a one by one basis, however this should be fully discussed in a Public Meeting with community input before the ANC7D DC Law Meeting Requirement (DC Code 1-2620-4004 and 4005)
- 2 The affected newly Commissioner Ms. Michelle Starr has not been properly notified about this case in her single member District 7D07
- 3 The above mention Pollin Community Project, case no. 06-30 never provided any documentation, plans change and amendment to this commission 7D by first class mail.
- 4 During the month of July and August the Commissioners are in recess and will not hold any public meeting.

We Commissioners 7D appreciate your help in this matter

Sincerely

Dorothy Douglas
