Rc: Mount Vernon Campus Information

Dear Ann,

Attached please find documentation that addresses the issues raised in your letter dated 18 July, 2007. Specifically, attached is as follows:

- A consolidated list of existing and proposed development on the campus as approved under the 2000 Campus Plan (please note that the Somers Expansion & the Athletic/Parking additions have been executed - the others have not yet been executed).
- Figures 12 & 13 of the campus plan, which identify the permitted use of then existing and proposed campus buildings. The current use of campus buildings fall within the uses outlined in these Figures.
- A map of the mount Vernon campus, which among other items includes building names.

Please note that all this information that you have requested relates to the 2000 Campus Plan case and not the further processing case for the Pelham Redevelopment Project. Nonetheless, I hope this information is helpful to you.

Sincerely,

ALICIA O'NEIL
Director, Real Estate Operations
