**FOR THE PURPOSE OF CONSIDERING THE FOLLOWING:**

**CASE NO. 07-13 (PUD and Related Map Amendment @ Square 643-S, Lot 801, Trustees of the Corcoran Gallery of Art and MR Randall Capital LLC)**

**THIS CASE IS OF INTEREST TO ANC 6D**

On April 11, 20097, the Office of Zoning received applications from the Trustees of the Corcoran Gallery of Art (the "Corcoran"), owner of Lot 801 in Square 643-S (the "Property"), and MR Randall Capital LLC, requesting approval of a consolidated planned unit development (PUD) and a related zoning map amendment from R-4 to C-3-A for the Property. The case was set down for hearing by the Zoning Commission at its May 24, 2007, public meeting. The Applicants provided their pre-hearing statement as part of its applications on June 25, 2007.

Square 643-S is the city block bounded by I Street on the south, former 1st Street on the west, partially-closed H Street on the north, and South Capitol Street on the east, in southwest Washington, D.C. The site contains approximately 115,724 square feet of land area. The property is presently improved with the former Randall Junior High School, which consists of its original 1906 building and numerous subsequent additions. Portions of the building that are listed in the D.C. Inventory of Historic Sites, will be retained, rehabilitated and incorporated into the new development. Other additions will be removed. The Applicants propose to construct a mixed-use development behind the retained buildings that will include 400-500 residential condominium units, new facilities to establish the Southwest campus of the Corcoran College of Art and Design, and three levels of underground parking. No less than twenty percent of the residential units in the development will be reserved for households earning no more than eighty percent of area median income ("AMI"). The proposed project will be constructed to a density of approximately 4.32 FAR and a maximum height of 90 feet. The Corcoran use of the facility will comprise approximately 0.66 FAR of the total project.

The R-4 District permits detached, semi-detached and row single family dwellings and flats as a matter-of-right, as well as the conversion to multi-family use of a building built prior to 1958. Detached dwellings require a minimum lot area of 4,000 square feet and a minimum lot width of 40 feet, semi-detached dwellings require a minimum lot area of 3,000 square feet and a minimum lot width of 30 feet, row dwellings require a minimum lot area of 1,800 square feet and a minimum lot width of 18 feet and conversions to multifamily use requires a minimum lot area of 900 square feet per unit. The maximum permitted height is three stories and 40 feet and the maximum permitted lot occupancy is 60 percent for row dwellings and flats and 40 percent

for other structures. Each dwelling requires a 20 foot rear yard and a minimum of one parking space.

The C-3-A District permits medium density mixed-use development. Under the PUD guidelines, the maximum allowable height for a building in the C-3-A District is 90 feet, the maximum density is 4.5 FAR, with no more than 3.0 FAR devoted to non-residential uses, and the maximum lot occupancy is 70 percent.

This public hearing will be conducted in accordance with the contested case provisions of the Zoning Regulations, 11 DCMR §3022.

Interested persons or representatives of organizations will be heard at the public hearing. **Any person who desires to participate as a party in this case must so request and must comply with the provisions of 11 DCMR §3022.3.** A party has the right to cross-examine witnesses, to submit proposed findings of fact and conclusions of law, to receive a copy of the written decision of the Zoning Commission, and to exercise the other rights of parties as specified in the Rules. Except for the applicant and the ANC, to participate as a party in a proceeding before the Commission, **any affected person shall file with the Commission, not less than fourteen (14) days prior to the date set for the hearing, a written statement containing the following information:**
