

GOVERNMENT OF THE DISTRICT OF COLUMBIA
Department of Parks and Recreation

DONATION AGREEMENT
BETWEEN
THE DISTRICT OF COLUMBIA GOVERNMENT
AND
EYA

1. EYA agrees to make a financial donation to DC Department of Parks & Recreation (DPR). This financial contribution is valued at \$315,000 and shall be used to make improvements to the triangle park bounded by Franklin Street NE, 4th Street NE, and Lincoln Road NE. These improvements will not change the nature of the park, which has been as a passive recreational park. It is anticipated that users of the park will be local residents looking for such a passive recreational spot. EYA will construct a fence around the park, add lighting to the park, add sidewalks around the park, and add concrete walking paths in the park.

In addition, EYA will provide one year of maintenance for the park once constructed. Maintenance will include grass mowing, fertilizer, mulching, tree watering, bench maintenance, and graffiti removal. EYA will also work with existing and new residents to create and formalize a "Friends Group" to take over advocacy, general upkeep and fundraising efforts on behalf of the park. The donation is being given freely without any expectation of special treatment by the government.

2. The donation will be used to refurbish the triangle park bounded by Franklin Street, NE, 4th Street, NE and Lincoln Road, NE. This donation will also be used to provide maintenance for this site for one year post-construction. The donation is for an authorized purpose because it is consistent with the functions and purposes of the agency.

3. The donation is being made on the condition that the agency agrees to use the donation for the particular purpose stated in this agreement.

4. The donor has read and agrees to be bound by the Rules of Conduct regarding Donations set forth in Mayor's Memorandum 2002-1, dated January 8, 2002.

5. To the best of the Donor's knowledge, the donor is not aware of any transactions pending before any agency or the District government involving the Donor, nor any litigation pending against the government involving the Donor.

6. The District of Columbia government acknowledges that systems are in place for the donation to be accepted by the government and the use of the donation may be properly tracked as required by the Section 115 of the District of Columbia Appropriations Act, 2003, Pub. L.108-7.
