RE: Case Number 07-27

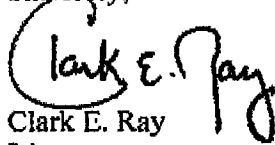

Dear Ms. Schellin:

On behalf of the DC Department of Parks and Recreation (DPR), this letter is being submitting for inclusion and consideration with EYA's Saint Paul's Planned Unit Development (PUD) under consideration by the Zoning Commission.

DPR has met with EYA on several occasions and supports the concept plan developed for DPR's triangle park bounded by Franklin Street, NE, 4th Street, NE, and Lincoln Road, NE. In addition, DPR supports EYA's commitment to provide three years of maintenance and support for the park after construction. DPR understands the commitment to build and maintain this site is contingent upon the approval of the Saint Paul's PUD.

Should you have any questions, please contact Ms. Melissa McKnight, Director of Partnerships and Development, at melissa.mcknight@dc.gov or (202) 671-1462.

Sincerely,

Clark E. Ray
Director
