I hereby certify that all existing improvements shown hereon, are correctly dimensioned, and are correctly plotted, that all proposed buildings or constructions, or parts thereof, including covered porches, are correctly dimensioned and plotted and agree with plans accompanying the application; that the foundations shown hereon are shown, and dimensioned accurately to the same scale as the property lines shown on this plat; that by reason of the proposed improvements to be erected as shown hereon the area of any adjoining lot or stream is not decreased to an area less than is required by the Zoning Regulations for light and ventilation; and it is further certified and agreed that accessible parking area when required by the Zoning Regulations will be reserved in accordance with the Zoning Regulations, and that this area has been correctly shown and dimensioned hereon. It is further agreed that the elevation of the accessible parking area with respect to the Highway Department approved curb and alley grade will not exceed a one (1) grade story certificate of driveway at any point on private property an excess of 20% for single-family dwellings or lots, or in excess of 12% at any point for other buildings. (The policy of the Highway Department permits a maximum driveway grade of 12% across the public parking and the private restricted property.)
