Anthony J. Hood, Chairman
District of Columbia Zoning Commission
441 4th Street, NW
Washington, DC 20001

Case No. 11-13

RECEIVED
D.C. OFFICE OF ZONING
2012 MAY 14 PM 3:45

Dear Chairman Hood,

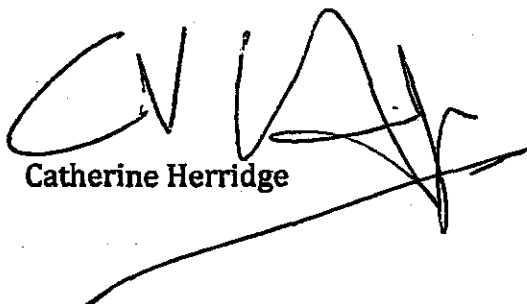

Thank you for encouraging the applicant to meet with us.

We believe progress was made at the first meeting and the topics were well within the scope of precautionary measures that Chairman Hood directed us to discuss.

The applicant has requested, and we have agreed to, a second meeting to address the precautionary measures we raised.

We respectfully ask that the record be left open so that the results of our final meeting maybe entered into the record.

Thank for your consideration.
