Re: Z.C. Case No. 08-08; Consolidated Planned Unit Development; 3910-3912
 Georgia Avenue, N.W.; Request for Waiver of Section 2406.7

Dear Ms. Schellin,

On the behalf of the Applicant, the District of Columbia Government, we request a waiver of the 10-day notice period required under Title 11 DCMR § 2406.7 for the following reasons: (i) there is an urgent need to provide affordable housing and (ii) the notice recipients are already familiar with the project.

The Applicant determined there is an immediate need to move forward with a PUD for the Georgia Commons project as it was originally intended and submitted to Board of Zoning Adjustment (“BZA”). Affordable housing is urgently needed in the District and the Georgia Commons project will have 48% of its 130 residential units as affordable. Due to the uncertainty of when the full implementation of the Inclusionary Zoning regulations and statute would occur, and after meeting with the Office of Planning on April 4, 2008, the Applicant and its development partners, 3910 Georgia Avenue Associates Limited Partnerships, I and II, decided to move forward on an expedited basis. Notice of filing was sent on April 4, 2008 by first class mail postage-prepaid to all property owners within 200 feet of the property and to ANC 4C. The Applicant filed its application for a consolidated PUD on April 9, 2008 with the Office of Zoning. The notice recipients constitute the same universe of property owners and ANC that were previously made aware of the project when it went before the BZA in 2007. Further, ANC 4C had previously issued a letter in support of the project. Based on these circumstances, the Applicant submits there is sufficient justification for a waiver of Section 2406.7.
