Washington, D.C. 20001

**Re: Marriott International, Inc. (Zoning Commission Case No. 08-13)
Post-Hearing Filing – Consolidated PUD Plans**

Dear Members of the Zoning Commission:

Enclosed please find twenty copies of the consolidated set of plans for the above-referenced PUD application (the "Application"). This set comprises the final version of the plans, drawings and elevations submitted to the Zoning Commission as part of its review of the Application; and, upon the Zoning Commission's approval of the Application, would serve as the final PUD plans for the project.

Please note that Sheets A-351.1, A-353.1, A-354.1, and A-355.1 were added to the set of drawings. These sheets more clearly identify the building materials for the project, as requested by the Zoning Commission at its public meeting on January 12, 2009.

Thank you for your consideration of this matter. We trust that we have submitted all that Commission needs to complete its favorable review of the PUD application.

Sincerely,

HOLLAND & KNIGHT, LLP
