I hereby certify that all building improvements shown herein, are completely dimensioned, and are correctly placed, that all lot owned buildings or improvements, or parts thereof, including covered porches, are correctly shown, colored and placed, and agree with plans accompanying the application, that the locations shown as shown herein is drawn, and dimensioned accurately to the same scale as the property lines shown on the plan and that by reason of the proposed improvements to be erected as shown herein the size of any adjoining lot or premises is not decreased to an area less than is required by the Zoning Regulations for right and location, and it is further certified and agreed that accessible parking area shown required by the Zoning Regulations will be reserved in accordance with the Zoning Regulations, and that the area has been correctly drawn and dimensioned herein. It is further agreed that the situation of the accessible parking area with respect to the Highway Department approved curb and sidewalk grade will not result in a loss of grade along centerline of driveway at any point on private property in excess of 20% for single-family dwellings or less, or in excess of 12% in any other buildings. (The policy of the Highway Department permits a maximum driveway grade of 12% across the public parking and the private restricted property.)
