Public Hearing Exhibits**

Dear Members of the Zoning Commission:

In connection with the public hearing for the above-referenced application, enclosed please find the following:

1. the revised transportation management plan for the project;
2. an addendum to the traffic impact statement filed September 24, 2008, which was previously submitted to DDOT; and
3. a list of the PUD community benefits and amenities.

A copy of the PowerPoint presentation to the Zoning Commission is also being submitted separately.

Thank you for your attention to this matter. We remain hopeful of the Commission's favorable review of the PUD application.

Sincerely,
