Re: PUD case no. 08-15.

Dear Chairman Hood,

I wholeheartedly support the Friendship-Macomb SC Inc. (Giant Foods) PUD case no. 08-15, and ask for your support and the support of the DC Office of Zoning to take the necessary steps to ensure the rapid approval of PUD Case No. 08-15 so area residents can start benefiting from this project.

I have been a resident in McLean Gardens for just under two years, and do not have a car. Grocery shopping is an issue! The current Giant grocery store (that is within walking distance) is so deplorable, that I cannot bring myself to shop there. It is this Giant grocery store that is slated to be replaced if this project is passed. It seems to me that in an area that is so heavily residential, as is this area, that DC would support improving local shopping experiences, thus encouraging this neighborhood project. I ask you to please support PUD case No. 08-15.

Thank you for your attention to this matter.

Sincerely,

Kathy Dwyer
