Re: PUD case no. 08-15.

Dear Chairman Hood,

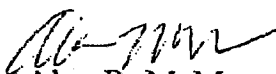

We have lived in Washington D.C. for over 20 years and have now lived in McLean Gardens for the last 5 years. We are writing to strongly support the development of several blocks owned and to be developed by Giant Foods. This area really needs improvement and is in no way historically and architecturally significant. It is an eye sore.

We support the Friendship-Macomb SC Inc. (Giant Foods) PUD case no. 08-15. This project will not only bring modern services and greater beauty to the community but tremendous economic stimulus and job generation. Also, this project will be pedestrian and public transportation friendly remaining in tune with the neighborhood's character.

We urge the DC Office of Zoning to take the necessary steps to ensure the rapid approval of PUD Case No. 08-15 so we can start benefiting from this project and end this painful wait.

Sincerely,

Thomas S. Russell
