Subject: PUD Case no. 08-15

I am in favor of the new Giant development at Wisconsin Ave. & Newark St. NW. I have lived in this neighborhood for nearly forty years and like to do my shopping frequently on foot. I would be glad to have a new, larger store so that I don't have to make so many special trips in my car through city traffic to get to a full-service store. Since I am out in the car and battling traffic, I usually go to the suburbs and do more extensive shopping.

Please approve this project as soon as possible so we can have this neighborhood amenity improvement!
