Washington, DC 20001

Dear Chairman Hood,

As loyal residents and long-time advocates of Washington, DC we are writing in support of the Wisconsin Avenue development project proposed by Giant Foods (PUD case no. 08-15). Since moving into Cleveland Park in 1973 we have seen the Wisconsin Avenue corridor degrade from a vital commercial resource, promoting one of the busiest grocery stores in DC, to an area that has not only been neglected from the city's major urban revitalization projects, but has witnessed the loss of much of its life and business. The new Giant Foods project would grant our community the opportunity to shop in our own neighborhood while helping it grow.

Thank you,

Lou & Di Stovall and Di Stovall
