

Dear Mr. Hood:

1. Case # 08.15.

2. I live at 3602 Macomb St. NW WDC 20016

3. I 100% support the new Grant.

4. I have lived here since 1998 and we were promised the new Grant 10 yrs. ago!

5. I support the development of Grant. The current one is old. The GC Murphys is a disgrace to the neighborhood!

6. This will create a beautiful area in Cleveland Park. We need better shopping! I am so tired of the few people who oppose it. They have nothing better to do! They say it will cause more traffic. They forget this is the city! They should move to the country.

PLEASE APPROVE PUD case # 8-15!!!

Lets move on already!
