For: Chairman Hood and Members of the Zoning Commission

Dear Chairman Hood and Members of the Commission,

Due to the sudden death of my beloved mother, I would respectfully request that I be permitted to give my oral testimony in support of my written statement and testimony on behalf of the Immediate Macomb Street Neighbors in this case (which you have as a matter of record), on the third evening you have stated that you have planned for the continued hearing in this matter. It will not be possible for me to appear on April 6, the second evening scheduled for the continued hearing in this case.

As there are still a number of witnesses ahead of us - i.e. Office of Planning, the ANC, etc. - who will be appearing on April 6, I would be most grateful if you would allow me to appear and testify on the upcoming third and last day of the hearing.

Your consideration in this matter would be most appreciated.

Respectfully,

Frances A. Sclafani, Esq.
