Anthony Hood, Chair
DC Zoning Commission
441 4th Street, NW
Suite 210, South
Washington, DC 20001

Dear Mr. Hood,

It has come to my attention that a petition I signed in September 2008 is being used to oppose the Giant project in Cleveland Park. I want to make very clear that I fully support the Giant project and wish for the project to move forward. When I signed this petition, I was not told that it would be used to oppose the Giant project. I was not told that by signing the petition I was joining the Wisconsin Newark Neighborhood Coalition. Since that time, I have not heard from the WNNC or received any information from them – I did not know that I was considered a member or that I was being counted as a neighbor opposed to the Giant project.

I fully support the Giant project and wish to have my name withdrawn from the petition.

Thank you,

Laura Cope
