Re: Giant Food -- Newark Avenue

Dear Commissioners:

I am a resident of the area and a hopeful shopper at the long-delayed redeveloped Giant. I understand that the Commission has approved the project but that some residents are still trying to delay the project over the proposed loading dock on Idaho Avenue.

I urge the Commission to reject any further delays and to approve the project in its entirety as soon as possible. This area is underserved by quality grocery stores. We need to have the Giant project get started. As residents of a city, we are all inconvenienced by some noise and traffic. It's part of living in the city.
