Re: Case 08-15

Dear Chairman Hood and Members of the Commission:

During the hearing on Case 08-15 on May 5, 2009, I presented the attached Powerpoint slides. You found them to be helpful and requested that I provide copies to the Zoning Commission. Attached are 20 copies of the slides.

In addition, I mentioned during my testimony the presence of a temporary barrier at the intersection of Wisconsin Ave. and Idaho Ave. that attempts to restrict access from Ordway Street to Wisconsin Avenue. Attached are 20 copies of a photo of the plastic poles located at the intersection.

I have mailed copies of these materials to the parties in this case.

Sincerely,

David Isaacs
