### Petition to the Zoning Commission

We, the undersigned residents of ANC3C and nearby neighborhoods, urge approval of the planned unit development (PUD) application for the Giant grocery store, other retail stores, and residential units on Wisconsin and Idaho Avenues. The planned development will provide valuable urban services that are not presently available in our area. **Giant has presented its plans to the community at several public meetings and has responded to our suggestions.** We look forward to **continuing to work** with Giant to ensure that the development reflects and contributes to a vibrant urban neighborhood for the 21st century.
