RE: Zoning Case no. 08-15

January 24, 2009

Dear Chairman Hood,

I am writing to you to express full support of the PUD application for the Friendship Shopping Center Wisconsin Avenue Giant redevelopment project. I am a lifelong Cleveland park resident who has long anticipated the much needed revitalization of this retail area. The applicants have worked in good faith to address the needs and concerns of the community in developing this project. I believe this proposal is an appropriate and compatible response to the existing residential and commercial areas it will affect and it will provide the pedestrian friendly urban retail environment that is so greatly desired in this neighborhood.

Sincerely,

Ralph S. Cunningham
