Jeffrey L. Goins
Partner

Jeff's diverse background includes commercial architectural projects, and numerous competitions from 900 square feet to 3,000,000 square feet. He is an accomplished designer with an understanding of what it takes to create successful projects. Jeff brings a working knowledge of projects like the Southwest DC Waterfront Competition complimented by his work as a designer on the AIA award winning 6th and I Synagogue. He believes in the use of technology as well as traditional media to convey ideas to clients. It is his understanding of graphics and imagery that significantly aids the design phase of a project.

Mr Goins work at PGN includes many significant projects within the Washington DC metro region. The multifamily project sited and adjacent to RFK stadium located on Capitol Hill required community, Office of planning and local ANC's support. the project is a contextual example of the sensitivity to the historical context Jeff used in the design process, all with overwhelming support. His other work includes the modern interpretation of Teraangi villa in the Parcel 42 competition which PGN was part of the winning team.

Significant Project list:

East Capitol , Washington DC 180,000 square feet 140 unit condo building. Jeff was the partner in charge through design and the PUD process.

PGN Architects, PLLC is a LSDBE certified company and was incorporated in June 2004. Since that time, PGN has grown to eleven employees forming a diverse organization with vast experience.

PGN is a full service architectural firm with experience in commercial and residential architecture. Our services include Predesign, Programming, Planning, Architectural Design, Interior Design, Contract Administration and Computer Graphics. PGN's revenues total 1.2 million in gross annual sales for 2007.

The PGN approach to design is based on vision, integrity and excellence attained through teamwork and the belief in technology. Our firm emphasizes innovative design, attention to detail, and design quality to create distinctive architectural plans for both our commercial and residential clients. Each project is assigned a team of experts who work together with our clients to form a true partnership in order to offer the most efficient and economical design solutions.

PGN has design projects with cost totaling over \$70 million in the DC metropolitan area. PGN has successfully navigated over 30 projects through DC regulatory processes including 3 major PUD cases and 2 New Community Master Planning initiatives receiving city council approval. Our experience ranges from 150 unit residential mixed-use projects to 275 acre Master Planning projects. A large portion of our work experience has been with Affordable Housing projects requiring DHCD financing and Green Communities Grant funding.
