

OUTLINE OF TESTIMONY
RANDOLPH A. PETERSON, P.E.
AMT, LLC

- I. Introduction and experience
- II. Site location and description
- III. Overall site planning considerations
- IV. Project Description
- V. Conclusions

RANDOLPH A. PETERSEN, PE

Randolph A. Petersen, is currently employed as an Associate with A. MORTON THOMAS and Associates, Inc. and serves as the leader of the civil engineering team in the downtown DC branch of AMT.

AMT is a multi-disciplined civil engineering consultant company with over 50 years of experience in public and private sector-type projects. These disciplines include municipal engineering, transportation engineering, water and waste water treatment, land development, landscape architecture, land planning, and surveying.

EXPERIENCE :

Mr. Petersen is a licensed PE since 1978 in the State of Maryland, specializing in land development and building construction for both commercial and residential real estate projects. He has held a reciprocal PE license in the Commonwealth of Virginia for over 25 years and has been licensed in the District of Columbia since 2004.

As the Associate in the DC office of AMT, Mr. Petersen's experience covers government sector projects, including several GSA Federal office buildings, the DC District Courthouse, the Washington Navy Yard, the US Capitol, as well as institutional projects at Georgetown University, George Washington University, Wesley Seminary, and several DC Public Schools and public libraries.

Private sector commercial projects include L' Enfant Plaza redevelopment, the Wardman Park Marriott Hotel, the Reserve Officers Building, the Lithuanian Embassy, the Hungarian Embassy, St Paul's Episcopal Church, St John's Church, the Woodward Building, and Providence Hospital, among many others.

With such diversity in land development projects, Mr. Petersen is very familiar with the code requirements of the several District approval agencies, including DCRA, DDOT, DC-WASA, and the Dept. of the Environment (former Environmental Health Administration). He is sitting on the DC Building Code Advisory Committee, pending confirmation of appointment from the Mayor's Office.

Prior to practicing in the District, Mr. Petersen has served on several appointed committees in Maryland, including the Building Code Violations Review Board for Anne Arundel County, and a Legislative task force for Architectural and Engineering Practice appointed by the Maryland State Senate. Most recently, he has served on the transition team for John Leopold as incoming County Executive in Anne Arundel County.

Mr. Petersen is an active member of the DC Society of Professional Engineers and the Maryland Society of Professional Engineers and their parent society, the National Society of Professional Engineers (NSPE), where he holds the recognition of Fellow.

He has been nominated to begin office in July as Northeast Regional Chairman of Professional Engineers in Private Practice (PEPP) of NSPE.
