Re: Letter in Opposition to Zoning Commission Application No. 09-03; Skyland Town Center

Dear Members of the Commission:

I reside at 2932 W ,S.E. I am writing to express my strong opposition to the PUD/ Map Amendment requested in Zoning Commission Case No. 09-03, for Skyland Town Center. While the community desires this type of economic development, this project goes too far and should be scaled back to fit the character and density of this neighborhood. The overwhelming size of this project will create significant negative impacts related to traffic, light and air, light pollution, security, and other issues associated with such a huge development in an otherwise low-density neighborhood.

I urge the Zoning Commission to deny this Application in its current form.

Sincerely,

Valerie Lobban
