Dear Mr. Chairman and Members of the Commission:

As a ten year resident of Burleith I support Georgetown University's Campus Plan and as a matter of fact I have never been bothered in those ten years by Georgetown students living in our neighborhood. I welcome the energy and enthusiasm that they bring to our area.

One of the reasons we moved to this area was to be close to the university with its offering of courses for over- 55 Burleith residents, the first rate hospital and the cultural activities available there.

I do not agree with the Burleith Association's position that all GU students be housed on campus. In my opinion that is unrealistic and because of the reasons I have mentioned very shortsighted.

I would be grateful if you consider my views in favor of Georgetown's Campus Plan as you make your decision regarding their proposal.

Cordially yours,

Pierre Dowd
