

**GEORGETOWN UNIVERSITY
UNDERGRADUATE STUDENT HOUSING**

The following table sets forth the housing provided for undergraduates by Georgetown University, expressed as a percentage of undergraduate enrollment for Academic Year 2010 – 2011 calculated using:

- The existing 2000 Campus Plan methodology, which is based on full-time traditional undergraduate students, averaged over fall 2010 and spring 2011 semesters; and
- The proposed 2010 Campus Plan methodology based on IPEDS enrollment in fall 2010 as detailed in the 2010 Campus Plan (see Exhibit L of Georgetown's December 30, 2010 Campus Plan filing).

	<u>2000 Campus Plan Methodology</u>	<u>Proposed 2010 Campus Plan Methodology</u>
Existing housing.....	85.4%	76.0%
With 250 additional beds.....	89.6%	79.7%
