

GEORGETOWN UNIVERSITY
Student Housing Occupancy

The following table sets forth actual occupancy information for the five most recent academic years, including occupancy as a percentage of total available beds. The University's obligations to students in wheelchairs, students who require attendants, and students with other medical needs require that a number of beds be held vacant to accommodate such needs.

Academic Year	Fall Semester		Spring Semester		Average Occupancy for Year
	Number of Occupied Beds	%	Number of Occupied Beds	%	%
2006-07	4971	98.4	4774	94.5	96.5
2007-08	4965	98.3	4769	94.4	96.4
