³ GU Financial Plan 2011-2014, Schedule 5, p. 73 (p. 73 is attached - the full GU Financial Plan is available at <http://www9.georgetown.edu/finaff/budget/finpln11.pdf>). The 198 number shown above reflects the average percentage (4%) of on-campus beds that are unoccupied in the Fall term; the number of unoccupied on-campus beds in the Spring would likely be higher.

⁴ GU has acknowledged that 111 beds which it treats as on-campus in calculating its percentage of undergraduates housed on campus is in fact not on campus. GU 2010-2020 Campus Plan, 12/30/10, Ex. N, footnote *. These beds are in townhouses in a residential neighborhood and should be treated as off-campus.
