RE: Opposition to Georgetown University Campus Plan 2010-2020, Case No. 10-32

Dear Zoning Commissioners:

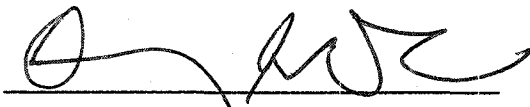

My name is Richard A. Popkin and I live in the Foxhall Community at 1507 44th Street NW with my wife Karol who joins me in opposition to Georgetown University Campus Plan 2010-2020, Case No. 10-32.

I have owned and lived at 1507 44th Street since 1987; Karol since 1992. We are here to express our *strong* opposition to Georgetown University's Proposed Campus Plan. I moved into this neighborhood nearly 25 years ago because it has historically been considered one of the quietest, peaceful parts of the city. Georgetown University should no more be allowed to significantly disturb that peace and quiet any more than any of my other neighbors, especially when there are other routes by which Georgetown University can accomplish its goals *without* disturbing this historically precious neighborhood.

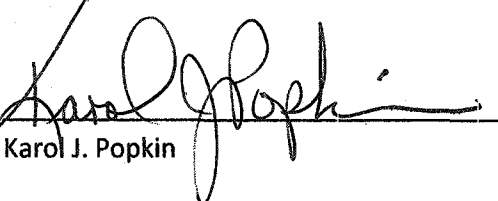

Georgetown University is acting like a bully in this case and is pushing the D.C. Zoning Commission to agree to a Plan that will materially injure the day-to-day lives and property values of many of Georgetown University's neighbors, including Karol and me. Don't be bullied. Be brave and do what's right. Just say "no" to the Georgetown University Campus Plan 2010-2020, Case No. 10-32.

Thank you.

Sincerely,

Richard A. Popkin

Karol J. Popkin
