GUTS Service

The Georgetown University Transportation Shuttle (GUTS) was established in 1974 to help students, faculty, staff and visitors travel to and from the University campus and nearby Metrorail stations. Today, GUTS operates five shuttle routes, connecting the campus to the Georgetown University Law Center on Capitol Hill, to University offices on Wisconsin Avenue, to Metro stations at Rosslyn (Virginia) and Dupont Circle (District of Columbia) and to stops in North Arlington, VA.

Faculty, staff and students with a valid Georgetown University ID card can ride along any GUTS route at no charge. Physicians, staff and patients with valid GUH ID may ride the Rosslyn and Dupont shuttles. Visitors and persons doing business on campus may also ride free of charge and must show a picture ID at the time of boarding. Buses with handicapped access are available on all GUTS routes. Contact OTM at 202-687-4372 for further assistance.

GUTS buses operate between 5 a.m. and 12 midnight. Click on a route to see a complete schedule and for pick-up/drop-off locations.
