Dear Madam, Sir:

Please save our forest - the lovely, Lucille's Glens - Annapolis Park, that means so much to so many living in the Foxhall Village - Glens Park area.

To build a road there would totally destroy the natural beauty nature has created, & so many people enjoy.

I have always been told that our woods were park land. Therefore, under the jurisdiction of the Dept. of the Interior.

Students will come & go at Georgetown for four short years, but many of the residents of Foxhall Village, Glens Park & Burleigh will live there for a life time.

Please save our woods!

Sincerely,

Marian Burke Lankford
