

DC UNIVERSITY DENSITIES

In its written materials, CAG presented a chart showing how Georgetown University's density compared with colleges and universities outside of the District of Columbia. Using that same format, the following chart shows the density of the four largest universities in the District of Columbia, including Georgetown.

	Number of Students	Acres	Students per Acre
George Washington U	20,000 ⁱ	43	465
American U	13,600 ⁱⁱ	84	162
Georgetown U	15,000ⁱⁱⁱ	104	144
Howard U	12,000 ^{iv}	109	110

ⁱ Cap approved by the Zoning Commission in GW's 2007 Campus Plan/PUD for its Foggy Bottom Campus.

ⁱⁱ Cap proposed by AU in its pending Campus Plan case.

ⁱⁱⁱ Proposed voluntary maximum in Georgetown University's 2010-2020 Campus Plan.

^{iv} Cap approved by the BZA in HU's last Campus Plan case (1998).
