Dear Zoning Commissioners:

As a 20+ year resident of Burleith I am writing to strongly oppose Georgetown University's request for a continuance of the hearing scheduled for Monday, June 20, 2011.

GU has already had two opportunities to provide a coherent plan that would respond to the critical neighborhood issues resulting from past policies. If we had they had an opportunity to re-submit a plan to DDOT - and did such a unprofessional job it could not be evaluated.

A continuance will only benefit GU's efforts to disrespectfully and illegally expand its enrollment and encroach on surrounding neighborhoods.

I hope the Commissioners can be strong and uphold the right decisions for Washington's citizens - in this case Burleith.

Best regards,

ZONING COMMISSION  
District of Columbia
