Memo

Submission re Georgetown University Hires. This is a letter from Anetta Graham with an excel attachment. It shows the hiring done by Georgetown University between August 2009 and September 2010.

The total number of hires is sixteen. Comparable institutions in the city apparently hired an average of "seventeen". This information was submitted by GU in order to secure the 221 million in low interest bonds that the city allowed them.

Mr. Brown

Please see the attached document reflecting the number of DC hires from August 2009 through September 2010. I have also included hires from other areas in the region as a comparison. For the months that Georgetown reported for August 09 to September 2010 they are in compliance.

Please feel free to contact me if you have any questions.
