Dear Ladies and Gentlemen:

As a party to Georgetown University's 2010 campus plan, Advisory Neighborhood Commission 3D joins in the interest of the Foxhall Community Citizens' Association in participating in discussions with the university to help craft a comprehensive agreement that will be acceptable to all stakeholders.

In particular, our immediate concerns are the impact of an increase in the number of Georgetown University students on the residents of our neighborhoods and the impact of transportation elements on neighborhood streets, including Foxhall Road, MacArthur Boulevard and Canal Road.

We regard our input as valuable in planning for the long-term future of the community-at-large.

Sincerely,

Stu Ross, Chair
