

**EXHIBIT M
EMPLOYMENT HEADCOUNTS**

I. Georgetown University Employee Headcount

As of Fiscal Year 2010, the Main Campus and Medical Center employee headcount is approximately 4,035.

This includes individuals employed by the University at the Main Campus on a full-time or part-time basis. The count does not include students, temporary employees, employees of non-University owned or controlled entities, and contractors that provide ancillary campus-related service functions who are not employees of the University.

The projected Main Campus and Medical Center employee headcount for 2020 is approximately 4,438.

II. MedStar Hospital Employee Headcount

As of Fiscal Year 2009, the MedStar Hospital employee headcount is approximately 4,269.

This headcount includes full-time and part-time employees.

The projected MedStar Hospital employee headcount for 2020 is approximately 4,696.
